IMPORTANT ANNOUNCEMENT REGARDING BUILDINGSNY 2020

NEW YORK, NY – April 15, 2020 – After extensive internal and external consultation and monitoring of the COVID-19 pandemic, we made the necessary decision to further reschedule BuildingsNY 2020. BuildingsNY will now take place **September 15-16, 2020** at the Javits Center in New York City.

The Javits Center, home to BuildingsNY 2020, is currently open as a temporary medical station to help alleviate the burden on local hospitals treating patients infected with COVID-19.

“This commitment to the well-being of all New Yorkers is heroic and we commend them for opening their doors during this crisis” said Randy Field, Group Vice President, Reed Exhibitions. “These efforts are crucial to serve those infected with COVID-19. We are proud to support the NYC and the Javits Center during this time and appreciate the hard work of their employees.”

“While we recognize the repurposing of the Javits Center presents some challenges for our event, BuildingsNY is fully supportive of this step for the well-being of the entire NYC community and we are looking forward to continuing to work with the Javits and our partners to hold BuildingsNY 2020 on September 15th and 16th, 2020.” said Chyai Mulberg, Event Director, BuildingsNY. “In the meantime, we will continue to focus on creating a great event that prioritizes the health and safety of our attendees, exhibitors, association and publication partners and staff.”
